

ABOUT HERITAGE ELEMENTARY COMPUTER SCIENCE ACADEMY

- Heritage Elementary School has small class sizes with supportive teachers who help **students reach high academic standards**, outperform similar schools on standardized state testing, and receive a variety of additional services through a multi-tiered system of support.
- Heritage Elementary School is **the district's first Computer Science Immersion Academy**, where cutting-edge technology is integrated into daily instruction. Powered by a variety of highly rated computer science and coding programs, Heritage Elementary School students use computer programming, coding, and robotics skills in all academic content areas.
- Heritage Elementary School offers a **robust college mentoring program**, pairing elementary students with college mentors, who serve as positive role models, help with school work, and promote positive self-esteem. Students also participate in a school-wide elementary AVID program to develop scholarly habits.
- Heritage Elementary School's PBIS (Positive Behavioral Interventions and Supports) system promotes a **caring culture on campus** where students and staff value respect and kindness. Heritage is regularly recognized by California PBIS for its effectiveness.

GGUSD IS THE BEST CHOICE FOR YOUR CHILD'S EDUCATION

GGUSD students outperform the county average on standardized tests.

DISTINGUISHED SCHOOLS

GGUSD was named a 2018 California Exemplary District

More CA Distinguished Schools than any district in Orange County (27 since 2018)

Heritage was ranked among America's Best 2022 K-8 Schools by U.S. News & World Report.

Over 95% of parents report that they are proud of their school and say that their family's culture and language is respected and welcomed.

CHOOSE GGUSD!

AWARD-WINNING SCHOOLS

- In GGUSD, we treat all children as if they were our own. Our school staff provide a caring learning environment and equip students with the academic and personal skills that will produce lifelong success.
- Our focus on high academic standards and student support has led to numerous award-winning programs and schools, including California Gold Ribbon, California Distinguished, and National Blue Ribbon Schools.

INNOVATIVE TECHNOLOGY USE

GGUSD has a better than 1:1 ratio of computers to students with cutting-edge technology use as a part of daily instruction.

LEADER IN COLLEGE READINESS

GGUSD beats the California and Orange County average in high school graduation, college prep, and Advanced Placement exam rates.
